A happy new year to you all!

I guess I will be one of the first in 2012 because of the time zone, so a happy new year to you all fellas! 2011 was a silent but also an exciting year at the same time for suck-o, not much drama except for the few mediocre lamers, but at the same time many people had a lot of excitement by taking part in the occupy movement and by getting politically active.

What's coming in 2012? We decided to start the "Hackers vs. Pedos" group, which will play a big role in the off-site activity, and on the site we will definitely have a new chess tournament coming up!

A healthy and prosper 2012 to you and all of your family and friends. :)
